

DIAMETRON

WORDEN diametron

The Choice is Yours.

Bright and playful? Warm and inviting? Cool and casual? The diametron Collection gives you the options to set the mood in any space. Select from an array of wood finishes, metal colors, fine veneers or colorful laminates in a range of heights to accommodate adults or children. No matter the space, diametron is the perfect choice.

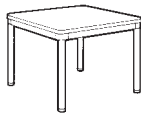

The diametron Collection includes tables, study carrels, OPAC stations, computer work stations, atlas and dictionary stands, display units, side and arm chairs and occasional tables.
