Optional front casters and back handle enhance flexibility.

The versatility of Geo provides **virtually limitless** ways to mix and match lounge seating. Straight lines, S-shapes, and arcs of any length can be created by **configuring round and square seating with round and square connector tables**.

**GEO ROUND TABLE & CHAIR**

**GEO SQUARE TABLE & CHAIR**

- Solid wood legs with casters available as option for front legs
- Table available in veneer and laminate
- Furniture connector option is available for ganging furniture together
